**BE AWARE...
PLAN,
PREPARE!**

**WHAT
BUSINESSES
CAN DO ABOUT
TERRORISM**

Taking these and other steps described in this brochure may not enable us to prevent every terrorist attack, but we can take away some of their ammunition. After all, strength, courage and determination are part of being an American

PREPARE NOW

- Develop a disaster plan.
- Learn Basic First Aid.
- Prepare a n Emergency Preparedness kit. Allow for 72 hours supplies of food and water, a First Aid Kit, fire extinguisher, flashlight, battery-operated radio, extra batteries.
- Keep family documents, birth certificates, passports, licenses in safe place.
- Keep alert anywhere, esp. of exits.
- Know Emergency procedures at schools and child care centers. Give authorization to pick up children if you would be unable to do.

BE ALERT

- Always be alert of surroundings, particularly in popular areas. Report any suspicious activities.
- Be alert and aware of strangers.
- Be aware and alert of suspicious packages.

IF AN EMERGENCY OCCURS

- STAY CALM, DON'T PANIC!
- Follow YOUR Plan for escaping
- Check for and treat injuries.
- Check for Fire, Damage, gas leak and any other hazards.
- Do NOT use matches, candles , Do not turn On or Off electrical switches.
- Account for colleague, co-workers, etc.
- Listen to your radio for information.
- Do NOT call 911, unless you have a life or death emergency

EVACUATING vs SHELTERING

- Use the stairs and Stay to the Right.
- Organize at designated, spot if its in your plan
- Preplan route of travel.
- Be aware! Your may need to “shelter –in-place”; stay indoors, close windows, doors, turn off HVAC. Prepare to seal windows and doors.

FIRE /EXPLOSION

- STAY CALM! STAY LOW! CRAWL! In smoke or if you see fire.
- If explosion, get under desk, cover your face with handkerchief
- Seek escape route most efficient to you
- If trapped, cover your face, signal with flashlight or whistle.

MAIL

The US Postal Service, package delivery companies and your own local mailroom, are taking extra security precautions to identify and isolate any suspicious letters and packages. If you do receive an item of mail or package that appears unusual, *call to confirm the return address*. If not, call the non-emergent number for your local law enforcement, or fire department.

Some General precautions:

Identify any suspicious letter or package
Notify proper authority immediately
STAY CALM
Wash your hands with soap and water after handling mail
Do not eat drink or smoke around mail
If you have cuts or open lesions wear gloves to open mail

How to Identify Suspicious mail

Any package or letter with mis-spelling, strains, wires, or wrong address, sounds (ticking) etc.
